

**BEFORE THE ENERGY RESOURCES CONSERVATION AND DEVELOPMENT COMMISSION
OF THE STATE OF CALIFORNIA**

**APPLICATION FOR CERTIFICATION
FOR THE SAN FRANCISCO
ELECTRIC RELIABILITY PROJECT**

**Docket No. 04-AFC-1
INTERIM
SCHEDULING ORDER**

I. BACKGROUND

This Order is based on discussions at the May 6, 2005 Committee Conference, the proposed schedules submitted by Applicant on April 29, 2005 and by Staff on May 4, 2005, as well as Applicant's "Clarifications and Notice of Need for Additional Time" filed on May 11, 2005.

The Committee believes, and the parties acknowledge, that it would be difficult to accurately set firm dates for the balance of the proceeding at this time. The scheduling guidance set forth below therefore focuses on issuance of the Preliminary Staff Assessment (PSA) and provides for periodic status reports. The parties should use these reports to apprise the Committee of the progress of the case, as well as the emergence of any matters which may delay (or accelerate) issuance of significant documents such as the PSA. We will reevaluate scheduling matters based on overall case progress at such time as may become appropriate.

Finally, we may schedule Conferences, as necessary, to assess the status of this proceeding; any party may also request that we conduct such an event. During the present phase of the case, Staff shall independently schedule such public workshops as are appropriate to identify, develop, and discuss information relevant to a thorough and objective analysis of the proposed project.
